## An Expensive Game

For You!

If you see a Chair in our store marked \$3 and in another store you see the same chair marked \$1.98, your first conclusion is that the first store is high. Some merchants take advantage of this. They mark a ridiculously low price on things whose prices people can compare while shopping around. Then, on other things they boost the prices unreasonably high. You are misled by this, and you pay too much for the most of your goods. In this store everything is marked at a uniform small profit. Chairs are priced this way.

Child's golden oak finish Rocker \$1.50.  
Reed Rockers \$3.50.  
Solid Oak Rockers \$3.50.  
Leather upholstered Rockers \$10.  
Box seat Dinners \$18.  
Morris Chairs, starting at \$12.50.

### DRINKS POISON—MAY DIE

Dayton Cor. Cincinnati Enquirer.

Mrs. M. Stone, who lives near Maysville, is lying in a critical condition at Speers Hospital as a result of drinking a quantity of oxalic acid by mistake. She was visiting Mr. and Mrs. Elmer Vaughn of 607 Seventh avenue, and had occasion to go to the medicine chest for a simple remedy, and got hold of the bottle of poison by mistake. She drank three drachms before she discovered her mistake. Dr. Senour and other physicians were summoned and made a strenuous effort to save the woman's life. Her condition was so critical that it was found necessary to remove her to Speers Hospital.

In Old Mason—Democrats Reach Out and Take Everything in Sight

700 Majority For Fields, Whose Election is Assured By a Big Vote in the District

The election yesterday as far as Maysville and Mason county were concerned passed off in the usual routine manner. There was no disorder or in-

timidation and the day was one of the finest election days we have had in a decade.

Maysville Democratic by 83.  
Mason county Democratic by 684.

The Ninth District Democratic by 609 or more.

It was a Democratic landslide and we simply got what was coming to us, from Maine to Panama.

In Mason and the Ninth District the Republicans simply were run over by the Democratic whirlwind campaign, backed by one of the largest bunches of money ever used in a Kentucky election.

But enough is enough and we've met the enemy and he now has us corralled until 1912, when Taft will show the Democrats a few things.

Following is the unofficial vote in Mason county:

### WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Maysville women know how the aches and pains that come when the kidneys fail, to make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all of these disorders. Here's proof of it in a Maysville woman's words:

Mrs. John Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement for publication in their favor some years ago. I was subject to attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The prompt relief I received from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any bad attack."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—take no other.
